

Arch Aluminum & Glass Co., Inc.
Your *True* Single Source®

NON IMPACT NARROW STILE ENTRANCE DOOR

FEATURES

Our versatile Narrow Stile Door System serves well in commercial offices, stores, and retail establishments. It is a System, designed and tested in accordance with the Miami-Dade County and State of Florida Building Codes, and consists of extruded aluminum components, tempered glass, hardware, gaskets, and anchors. Single doors are available up to **36" x 84"** and pairs of doors are available up to **72" x 84"**. The system is available in clear and dark bronze anodized, environmentally friendly Archkote™ powder coating, and many custom finishes.

It is the ideal choice in entrance systems when you require competitive pricing and excellence without extravagance.
